Assembly notice
All casters are supplied with an easily removable plastic alignment pin in the fitting hole. This pin should not be removed until immediately prior to assembly of the caster. This ensures factory adjustments are not accidentally changed.

Adjustments are possible
These bed casters are supplied ready / adjusted. Adjustment is possible, but not necessary, after normal long term use.

Load capacity
Load capacities for bed casters are set forth by the European Standard for Casters and Wheels. Series 2940 and 2040/7040: EN 12531
Series 2470 and 5470: EN 12530
